Senior Secondary School Facilities

For a seed to germinate the soil must be fertile. Similarly a child's mind grows when he or she is in the right environment. At SB Global School, we provide this environment.

Smart Class Rooms

Every classroom is planned to be technology enabled classroom where the teaching is enhanced through the use of technology. This helps teachers provide the 21st century skills required for research, collaborations and communication without replacing their interpersonal classroom teaching.

Activity Room

We at SB Global School firmly believe that extracurricular activities should be an essential part of the entire schooling system. Such activities help children explore their talents and capabilities, which if discovered at an early age could lay the foundation for a highly fruitful and successful life.

Library

Library at SB Global School is the cynosure of all eyes. This exclusively and imaginatively designed air-conditioned Library has a wide range of meticulously selected collection of books on all subjects, journals, magazines and periodicals to nourish the intellect of the students.

Labs

Well planned, spacious and adequately equipped science, maths, language & computer lab with latest instruments, gadgets, equipments, charts and models to experiment, observe, interpret, analyze and develop a scientific temper.

Auditorium

The school has aesthetically designed and air conditioned auditorium with ample seating to host major events, festivals and seminars with an LCD projector and Public Address System to serve as a multipurpose hall for school functions, seminars, meetings, workshops etc.

Mini Theatre

Mini theatre room is fitted with all essential electronic & IT gadgets like the overhead LCD projector with screen, a DVD player, a computer system. This enables the teachers to show a Power Point presentation, play back a video or a CD, organize talk shows and invite guest speakers.

Splash Pool

We have a child friendly splash pool. Water play is more than just fun. It helps in cognitive development, vocabulary building and social skills. Our pool is well maintained and we take special care of the hygiene and safety of the kids.

Art & Craft

Day Boarding

The trend in education is now changing all over the world. It is not just learning that is confined to the four walls of the classroom. The students will be trained to use a variety of medium like

- Water Colors
- Oil Pastels
- Crayon Shavings
- Acrylic Beads
- Glass Pieces
- Sequins
- Clay Modeling
- Print-Making
- Doll Making

SB Global School aims to provide the best boarding facilities in Delhi, NCR. Students in the boarding will enjoy the numerous benefits of studying in a boarding school and the proximity to the fantastic sports facilities that are on offer. In addition, student-teacher interaction can be experienced at its best by the students of a boarding school.

Engage Your Passion, Explore your future

Medical Facility

Music and Dance
Our belief is that there is a musician, a dancer, an orator and an artist hidden in every child waiting to be discovered. Students are taught a variety of dance forms and musical instruments

There is well equipped medical facility with a trained staff and facility of a visiting doctor who comes for regular checkups.

Sports

Transportation

Sports training will be imparted to the students in order to inculcate in them a feeling of sportsman spirit, team spirit, self discipline and a spirit of general well-being. Our Infrastructure supports/proposes to support:

The school maintains its own fleet of buses in compliance with safety and security norms. The children are always accompanied by an attendant, who ensures that children are not left alone till the point they are handed over to their parents.
